

LARS KENDALL MATEO

INFORMATION TECHNOLOGY

Technological Institute of the Philippines (TIP) QC

Address: 656 Instruccion St. Sampaloc Manila

Email Address: larskendall@yahoo.com

Cellular No.: +639364632809

CAREER OBJECTIVE

A position in which acquired expertise, creative talents and commitment to excellence will have valuable application. To establish a career in information technology where I can demonstrate the learning outcomes of the Information Technology program of the Technological Institute of the Philippines (TIP), a program accredited by the US-based outcomes-oriented ABET (Accreditation Board for Engineering and Technology), Computing Accreditation Commission.

DESIGN PROJECT COMPLETED/ RESEARCH

Box Stackers (Mobile Game)

An interactive puzzle mobile game consisting of a truck and a box on which the player must take the box to the goal without the item breaking or being blocked. The game is intended for young players ages 7-10. The game was created using Game Maker Studio. It has its own language, GML (Game Maker Language). The project was completed for the course Systems Development.
